Week One:

Monday 4th July – Rock Climbing

Today we'll be testing our climbing skills on a super cool rock-climbing wall in our very own backyard. How high can you climb?

Tuesday 5th July – 3D Movies

What's better than going to the movies? Having the movies come to us! We have a cool truck visiting us showing 3D movies. It's going to be epic!

Wednesday 6th July – Cupcake Cooking

Let's have a bake off and see who can bake and decorate the fanciest cupcakes. And the best part is, we get to eat everything we make. It's going to be scrum-didilly-umptious!

Thursday 7th July – Farm Animals

BAAAA! Guess who's coming back? All your favorite farm animals in our very own backyard. With fluffy sheep, silly goats and many more, which animal are you most looking forward to meeting?

Friday 8th July – Inflatable Cricket

Howzat for an afternoon activity? Not only will we be playing backyard cricket, but it will be inflatable too! How many runs will you get?

Week Two:

Monday 11th July – Raptor Reptiles

Today we will have a hands-on experience with some of Australia's creepiest, scaliest, slimiest reptiles. It's going to be a safe and educational creepy crawly day!

Tuesday 12th July – Brick Worx

Today's activity is a Lego master builders dream. With endless blocks to choose from, a Lego Instructor will guide us in allowing our wildest imaginations to come to life through Lego.

Wednesday 13th July – Science Day

Put on your lab coats because today we are becoming scientists for a day! We will get to watch a range of experiments and cool science tricks. Who knows, you may just be the next whacky scientist!

Thursday 14th July – Arcade Games (and Plaster Painting)

Have you always wanted to know what cool retro games your mum and dad played when they were your age? Well today you can find out because we are bringing in cool arcade machines which include games like pac-man, space invaders and frogger. It's going to be retro!

We'll also have arts and craft time during the day, where we get to test our plaster animal painting skills. Which plaster will you choose to paint?

Friday 15th July – Junkyard Beats

Today we will be putting our music skills to the test, but will we even be using normal instruments? Or will we be using random bits and bobs to make music? I guess you'll just have to find out.

Holy Spirit Vacation Care – Rules and Reminders

- Children need to bring their own morning tea, lunch and afternoon tea. Food will not be supplied by the center, unless stated otherwise. Breakfast is not supplied during vacation care.
- Hats **MUST** be worn when playing outside or when there's an excursion. **NO HAT NO PLAY!**
- Sunscreen is supplied by the center and is available to be used by all the children. Children with sensitive skin or allergies must bring and wear their own sunscreen.
- Closed shoes are to be worn when attending vacation care to avoid injuries and accidents.
- **Online Bookings will commence from: Tuesday 07/06/22 week 7**
- **Online Bookings will close on: Wednesday 29/06/22 week 10**
- **Once you have booked there are NO cancellations for vacation care.** Please ensure you have booked the right days.
- **We are unable to add children to the vacation Care program after the online bookings have closed.** PLEASE ensure you book your child in before the closing date.
- When attending an excursion, Children must be at the center by 9:00am. The buses will leave 9:15 or 9:30 and there will be no one at the center after this time.
- Please see the vacation care written program for more specific information on the activities that your children are attending, and additional items that your children might require.
- When children bring their own belongings to vacation care, it is their responsibility to ensure that their possessions are labelled and taken home with them at the end of the day

Please Note due to Covid-19 the number of children to attend an excursion is limited to 30 children.

If You Have Any Other Questions, Please Contact the Centre
